*These versatile scissors can cut lightweight fabric including silk without fabric slippage on the blades or cut multi-layers of fleece, denim, cotton and polyblend fabrics.*

The 7000 series High-Carbon stainless steel shears have an extra long edge life and superior cutting efficiency. Designed for professional use, these tailoring style shears are ideal for clothing construction and for perfect pattern cutting. Excellent on all types of fabrics including: silks, cottons, denim, fleece, leather, tapestry, upholstery fabrics and drapery. Smooth cutting action and super sharp blades make these the sharpest fabric scissors available. Sizes range from 8 inch to 12 inch.
