COLORS

How to order
Example of ordering system:

AM(4 digit thread size/spool code)-(4 digit color code)

If you wanted to order a 69 size thread in a 10 oz spool (chart code 4035) and the color you wanted was a Royal Blue (color code 3125).

The order # would be... **AM4035-3125** = size 69 nylon 10oz., Royal Blue color.
