

SILVER STAR®

Introduces The New and Improved Gravity Steam Iron EZ-90-110V-S

With improved steam output, ergonomic urethane handle for less user fatigue, easy press soft-touch button and a new modern look, the **EZ-90-110V-S** is the "it" iron for pressing your garments. The EZ-90 replaces the ES-90 as SilverStar's newest and best gravity feed iron.

New Ergonomic Urethane Handle

New Soft-Touch Style Button

Sleek New Body Design

New Modern Black Color

Vastly Improved Steam Quality
